VOCATIONAL PATHWAY

ENHANCED LEARNING

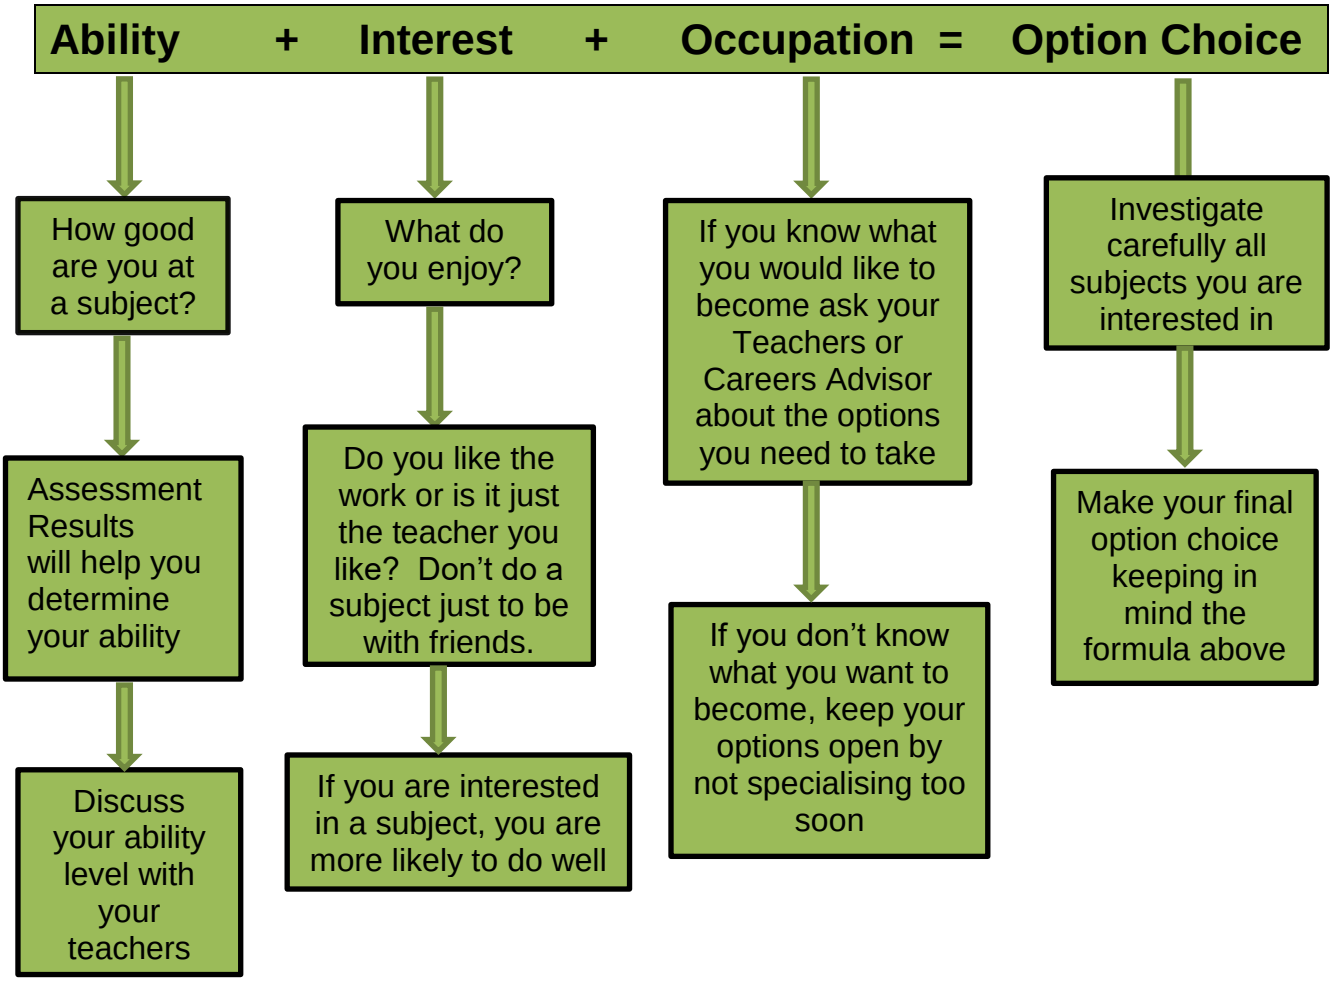
Choosing your Course for 2017

The Year 12 Course Booklet contains information for students and parents regarding the range of subjects offered by Karamu High School in 2017.

The process of choosing subjects for study in Year 12 requires very careful consideration so that opportunities for study are not limited in later years.

As you plan your course and choose your options check:

- The **entry criteria** for each subject
- Whether the subject offers **Achievement Standards** or **Unit Standards** or a combination
- The number of **Achievement Standard credits** generated by the subject
- The skills, content and understandings the subject will equip you with
- Your interests and abilities
- Your possible future **career interests**
- The skills you have and would like to develop
- Is your course flexible enough if your career goal changes?



Students may take only <u>one</u> Vocational Pathway Course. eg Early Childhood, Hospitality, Tourism, Automotive, Building Industry etc. Entry to these courses will require approval.

Courses in Year 12

Year 12 students study:-

- **English**
  Students will be placed in the most appropriate English course in line with the entry criteria for each course, after NCEA results are released.

- **5 other subjects** at NCEA Level One or NCEA Level Two (chosen after carefully reading the Entry criteria).

- **Students who do not meet the entry criteria for Level Two subjects need to use the Level One Subject booklet to choose their subjects.**

And

1. Students may take only one of Sport Education **or** Physical Education.

2. Students may take only one of Product Design or Fashion & Textile Design.

3. **Students may take only one Vocational Pathway Course. eg Early Childhood, Hospitality, Tourism, Automotive, Building Industry etc. Entry to these courses will require approval.**

4. Students may choose no more than two subjects with Portfolios or similar long term projects that require a lot of time eg Art, Photography, DVC, or Technology.

5. Students who have a genuine interest in the trades **may** be invited to join the Gateway programme where they "work" alongside an employer for one day a week, for one term. Please discuss this option at your subject confirmation interview in January.

6. **The school may not be able to offer a subject if the numbers of students wishing to study it are too small.**

7. Please choose your subjects carefully as the Timetable structure and subjects offered will be based on students' choices made from the options you choose now.

8. Students will need approximately 16 credits in each subject to study it at Level Three.

9. Students' final subject choice will be confirmed at their Subject Interview at the end of January 2017.

You may discuss your options further with Mrs Clark, Deputy Principal in Charge of Curriculum and Assessment

NCEA

1. **NCEA** can be achieved by **ACHIEVEMENT STANDARDS or by UNIT STANDARDS in Vocational Pathway subjects.**

2. Unit Standards **<u>are not accepted</u>** by Universities.

3. Universities are now requiring students to have as many Merits and Excellences as possible to gain entry to courses.

- **NCEA LEVEL ONE** – requires 80 or more Level One credits which must include at least 10 Numeracy and 10 Literacy credits.

- **NCEA LEVEL TWO** – requires 80 or more credits of which 60 must be at Level Two or higher. As well as Level One Literacy and Numeracy.

- **NCEA LEVEL THREE** – requires 80 or more credits of which 60 must be at Level Three or higher.

NCEA Level Endorsement

- Students who gain 50 credits at Merit or above will gain their NCEA with a Merit Endorsement.

- Students who gain 50 credits at Excellence will gain their NCEA with an Excellence Endorsement.

Course Endorsement

- Students gaining 14 or more credits at Merit and Excellence in a subject will gain a Merit Course Endorsement.

- Students will receive an Excellence Course Endorsement if they gain 14 or more credits at Excellence level in a subject in one year.

- For Course Endorsement at least three of the 14 credits must be from internally assessed standards and at least 3 from external assessment to demonstrate students are competent in both forms of assessment (except for Physical Education).

Reporting Not Achieved

- **Not achieved** results are reported for both internally and externally assessed Standards.

A number of subjects at Level Three require students to have gained UE Literacy (5 Writing and 5 Reading credits). These can be gained from Level Two English, History, Media, Geography, Drama etc.

Students should aim to gain as many **Merits** and **Excellences** as possible to prepare themselves adequately for Level 3 and tertiary study.

VOCATIONAL PATHWAYS

1. Vocational Pathways provide ways to gain NCEA Level Two, for students not intending to go on to University Study

2. There are 6 Vocational Pathways

Creative Industries	*eg:* Media, Art, Performing Arts
Primary Industries	*eg:* Farming, Horticulture
Service Industries	*eg:* Retail, Hospitality, Tourism
Social Community Services	*eg:* Early Childhood
Manufacturing Technology	*eg:* Automotive, Digital Technology
Construction Infrastructure	*eg:* Building

3. To achieve NCEA Level Two in a particular Vocational Pathway students require:-

   - **60 Level Two credits** from **recommended standards** for the pathway (see subject booklet)

   - **20 Sector Related Vocational Pathways Standards** (see Vocational Pathway section of the subject booklet)

The Vocational Pathways make it easy for employers to see if students have the skills they are looking for

Credits towards Vocational Pathways appear on the NZQA Login and Kamar

Further information is available at:-

http://youthguarantee.net.nz/vocational.pathways

Note: Sector related and recommended standards are currently being refined and some minor changes may occur later in 2015.

Students may take only one Vocational Pathway Course. eg Early Childhood, Hospitality, Tourism, Automotive, Building Industry etc.

Entry to these courses will require approval.

ENGLISH

Level One English → **Level Two English** → Level Three English

Entry Requirements

- An English course is compulsory for students
- Two internally assessed Achievement Standards and two externally assessed Achievement Standards from Level 1 English.

Course Outline

English focuses on the study, use and enjoyment of the English language and its literature. The course is based on the concepts of *Communicating Effectively, Thinking Widely, Thinking Deeply* and *Connecting*

No.	Standard	UE Lit	Int/Ext	Credits	Primary Industry	Social & Community	Manufacturing & Tech	Construct. & Infrastru	Service Industries	Creative Industries
#91101	Produce crafted and controlled writing	Writing	Internal	6	✓	✓	✓	✓	✓	✓
+91102	Construct and deliver a crafted and controlled oral text		Internal	3	✓	X	X	X	✓	✓
+91103	Create a crafted and controlled visual and verbal text		Internal	3	✓	✓	X	X	✓	✓

Total Number of External NCEA credits: 8 - 12										
Total Number of NCEA credits: 26										

Assessments

Compulsory standards

+ Standards selected by negotiation with teacher: all students' courses will be at least 20 credits and contain: at least two internal and two external standards, and 5 reading and 5 writing credits for UE literacy.

*Students will choose at least one

Internal Standards will be assessed by students completing:-

A range of tasks in a range of modes of delivery (eg speaking, listening, reading and responding, writing).

ENGLISH PATHWAYS

Entry Requirements

- An English course is compulsory for students
- Level One Literacy from English

Course Outline

English focuses on the study, use and enjoyment of the English language and its literature. The course is based on the concepts of *Communicating Effectively, Thinking Widely, Thinking Deeply* and *Connecting*

No.	Standard	UE Lit	Int/Ext	Credits	Primary Industry	Social & Community	Manufacturing & Tech	Construct. & Infrastru	Service Industries	Creative Industries

Total number of External NCEA credits: 4										
Total number of NCEA credits: 15 - 23										

Assessments

+Students will work at the appropriate level

*Standards will be available for extension on an individual basis

Internal Standards will be assessed by students completing:-

A range of tasks in a range of modes of delivery (eg speaking, listening, reading and responding, writing).

JAPANESE

Entry Requirements

- Minimum of 12 credits in NCEA Level One Japanese
- Consultation with the teacher

Course Outline

- The skills of Japanese language will be developed up to and including Level 7 of the curriculum, with expanded vocabulary and opportunities in written and spoken language

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91135	Give a spoken presentation in Japanese that communicates information, ideas and opinions	No	Internal	4	X	X	X	X	X	X
91134	Interact using spoken Japanese to share and justify information, ideas and opinions in different situations	No	Internal	5	X	✓	X	X	✓*	✓
91137	Write a variety of text types in Japanese for genuine contexts	No	Internal	5	X	X	X	X	X	✓
Number of Internal NCEA Credits: 14										
91133	Demonstrate understanding of a variety of spoken Japanese texts on familiar matters	No	External	5	X	X	X	X	✓	✓
91136	Demonstrate understanding of a variety of written/visual Japanese text(s) on familiar matters	N0	External	5	X	X	X	X	✓	X
Number of External NCEA Credits: 10					***Vocational Pathways Sector Related Credits**					
Total Number of NCEA Credits: 24										

Internal Standards will be assessed by students completing:-

- A variety of reading, writing and speaking tasks in an electronic portfolio

Course Costs: None

TE REO MAORI

Entry Requirements

- At least 12 credits in Level One Maori

Course Outline

- The skills of Te Reo Maori language will be developed to a higher level than at Level One with expanded vocabulary and opportunities in written and spoken language
- Traditions and customs of Maori and comparison to another nominated culture

Assessment

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91285	Kōrero kia whakamahi i te reo o te ao torotoro		Internal	6	✓	X	X	X	✓*	✓
91288*	Waihanga tuhinga i te reo o te ao torotoro	Writing	Internal	6	✓	X	X	X	✓*	✓
91284*	Whakarongo kia mōhio ki te reo o te ao torotoro		Internal	4	✓	X	X	X	✓	✓
Number of Internal NCEA Credits 16										
91286	Pānui kia mōhio ki te reo o te ao torotoro	Reading	External	6	✓	X	X	X	✓	✓
91287	Tuhi i te reo o to ao torotoro	Writing	External	6	✓	X	X	X	✓	✓
Number of External NCEA Credits: 12										
Total Number of NCEA Credits: 28										

Students can choose either 91284* or 91288

Internal Standards will be assessed by students completing:-

- Listening and comprehension/speeches/ creative writing/ research
- Language structures/vocabulary/idioms
- Traditions and customs of the Maori
- Waiata/karakia/karanga

Course Costs:

MATHEMATICS

Entry Requirements

- 13 credits from Level One Mathematics Achievement Standards
- Merit in AS 91207* (MCAT) and AS 91028 (Graphs)

Course Outline

The course is divided into four main areas:

- Geometries of space and shape
- Algebraic methods and graphical relationships
- Calculus
- Informal statistical analysis of data

Assessment

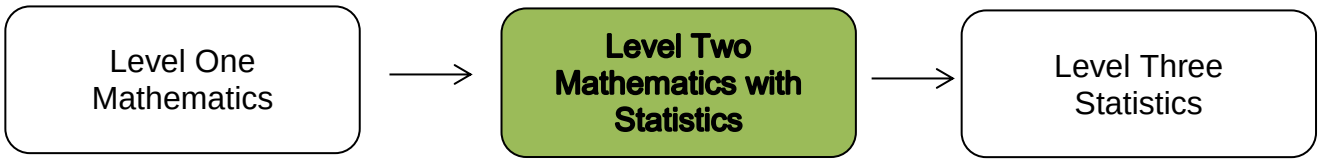
No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91259	Non-right angled triangles	No	Internal	3	X	X	✓	✓	X	✓
91256	Co-ordinate geometry	No	Internal	2	X	X	✓	✓	✓	✓
91257	Graphical methods	No	Internal	4	✓	X	✓	✓	✓	✓
91264	Statistical analysis	No	Internal	4	✓	✓	X	X	✓	✓
Number of Internal NCEA Credits: 13										
91261	Algebraic methods	No	External	4	✓	X	✓	✓	X	✓
91262	Calculus methods	No	External	5	✓	X	✓	✓	X	✓
Number of External NCEA Credits: 9										
Total Number of NCEA Credits: 22										

Course Costs:

- All students are expected to have a scientific calculator, although a graphical calculator would prove beneficial to the course
- $30.00 for a homework book that is supplied by the school

***Entry to Level Two is dependent on their MCAT result. A grade of A will be considered by the Head of Faculty for Mathematics upon inspection of paper.

MATHEMATICS WITH STATISTICS



Entry Requirements

- 13 credits from Level One Mathematics Achievement Standards

- At least Achieved in:
  AS 91029 (Linear Algebra)
  AS 91035 (Multivariate)
  AS 91038 (Elements of Chance)

Course Outline

The course is divided into 4 main areas:

- Algebraic thinking
- Geometries of space and shape
- Informal Statistical analysis of data
- Probability

Assessments

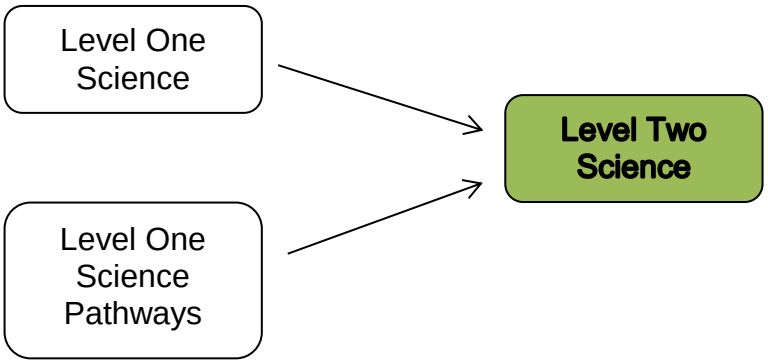
No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91259	Non-right angled triangles	No	Internal	3	X	X	✓	✓	X	✓
91258	Sequence and series	No	Internal	2	✓	✓	✓	✓	X	✓
91260	Networks	No	Internal	2	✓	✓	✓	✓	✓	✓
91264	Statistical analysis	No	Internal	4	✓	✓	X	X	✓	✓
91265	Conduct an experiment to investigate a situation using statistical methods	No	Internal	3	✓	✓	✓	✓	✓	✓
91268	Investigate a situation using a simulation	No	Internal	2	✓	✓	X	X	X	✓
Number of Internal NCEA Credits: 16										
91267	Probability methods	No	External	4	✓	✓	X	X	✓	✓
Number of External NCEA Credits: 4										
Number of NCEA Credits: 20										

Course costs:

- All students are expected to have a scientific calculator, although a graphical calculator would prove beneficial to the course, especially if they are planning to take Level 3

- $30.00 for a homework book that is supplied by the school

SCIENCE



Entry Requirements

- Has an interest in Science
- Has demonstrated an ability to cope with Level One Science

Course Outline

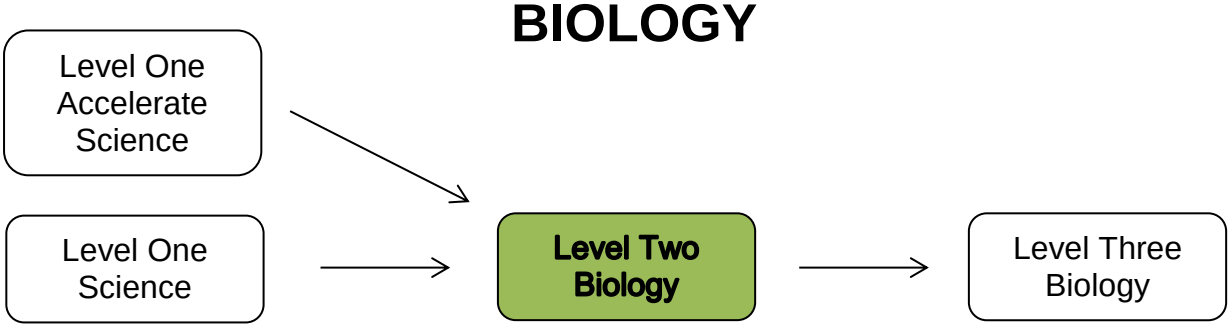
- Theory and practical work in Physics, Chemistry, Biology

Assessment

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91168	Carry out a Physics investigation	No	Internal	4	✓	✓	✓	✓	X	✓
91160	Microscopic investigation of cells	No	Internal	4	✓	✓	X	X	✓	X
91161	Practical analysis of chemical compounds	No	Internal	4	✓	✓	✓	✓	X	✓
91162	Identifying ions in solution	No	Internal	4	✓	✓	✓	✓	X	✓
91158	Zonation study	No	Internal	4	✓	X	X	X	X	X
91169	Research Physics relevant to a selected context	No	Internal	3	✓	✓	✓	✓	X	✓
				Number of Internal NCEA Credits: 23						
				Total Number of NCEA Credits: 23						

Course Costs: None

BIOLOGY



Entry Requirements

- Gained entry into full Year 12 English or evidence of good writing skills
- Achieved or better in at least one External NCEA Level One Science, Biology, Chemistry and/or Physics Achievement Standard or at the discretion of the HOF

Course Outline

- Study of zonation on the Rocky Shore
- Structures and functions in animals
- Practical and theory investigation of life processes at the cellular level
- An understanding of genetics and genetic variation

Assessment

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91153	Practical biological investigation	No	Internal	4	✓	✓	✓	X	✓	X
91155	Structures and functions in animals	No	Internal	3	✓	✓	X	X	✓	X
91158	Zonation study	No	Internal	4	✓	X	X	X	X	X
Number of Internal NCEA Credits: 11										
91156	Cell processes	No	External	4	✓	✓	X	X	X	X
91157	Genetics	No	External	4	✓	✓	X	X	X	X
91159	Gene expression	No	External	4	✓	✓	X	X	X	X
Number of External NCEA Credits: 12										
Total Number of NCEA Credits: 23										

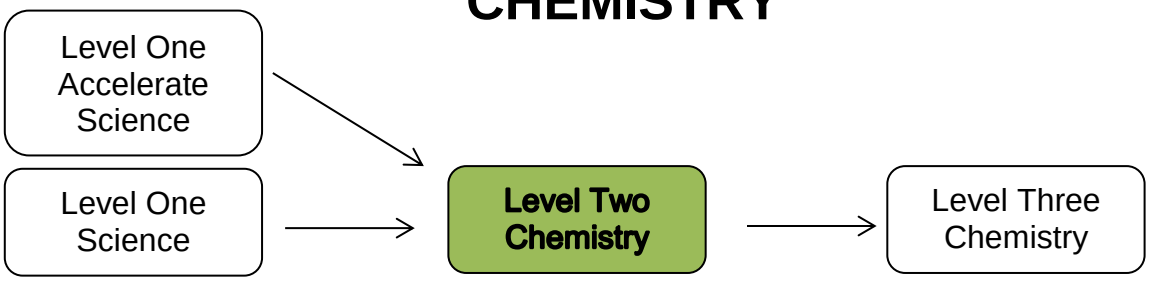
Internal Standards will be assessed by students completing:-

- Research
- Practical Investigations
- Sampling of the Rocky Shore

Course Costs:

$30.00 for homework book
Field trip expenses (approximately $25.00)

CHEMISTRY



Entry Requirements

- Achieved or better in at least one External NCEA Level One Science, Biology, Chemistry or Physics Achievement Standard or at the discretion of the HOF

Course Outline

- Atomic structure and bonding
- Qualitative and Quantitative Chemistry
- Learning to use specialist equipment safely and accurately
- Investigating a family of compounds eg Organic compounds
- Oxidation – Reduction reactions
- Analysing what makes a reaction occur at the molecular level
- Rates of reaction and chemical reactivity

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91161	Carry out quantitative analysis	No	Internal	4	✓	✓	✓	✓	X	✓
91162	Carry out procedures to identify ions present in solution	No	Internal	3	✓	✓	✓	✓	X	✓
91167	Oxidation – reduction reactions	No	Internal	3	✓	✓	✓	✓	X	✓
Number of Internal NCEA Credits: 10										
91164	Structure, bonding and energy changes	No	External	5	✓	✓	✓	✓	X	✓
91165	Properties of organic compounds	No	External	4	✓	✓	✓	✓	✓	X
91166	Understanding chemical reactivity	No	External	4	✓	✓	✓	✓	✓	✓
Number of External NCEA Credits: 13										
Total Number of NCEA Credits: 23										

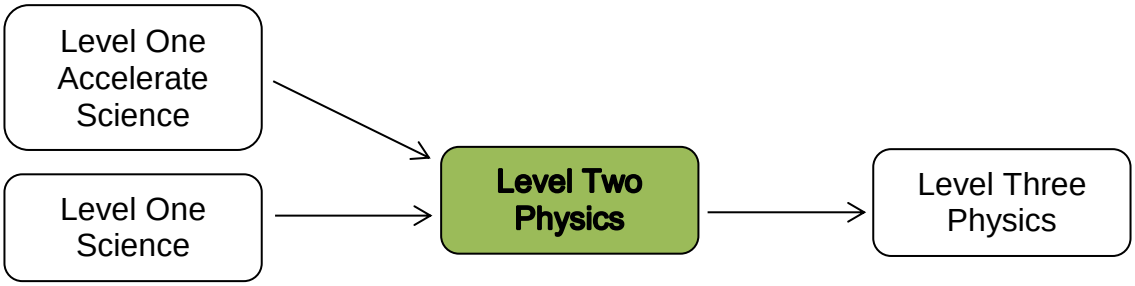
Internal Standards will be assessed by students completing:-

- Written tests
- Practical tests

Course Costs:

$30.00 for a write-on course manual provided by the school

PHYSICS



Entry Requirements

- Achieved or better in at least one External NCEA Level One Science, Biology, Chemistry or Physics Achievement Standards or at the discretion of the HOF

Course Outline

- Waves behaviour
- Mechanics
- Atoms and radioactivity
- Electricity and magnetism
- Practical investigations
- Physics research

Assessment

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91168	Practical investigation	No	Internal	4	✓	✓	✓	✓	X	✓
91172	Atomic and nuclear physics	No	Internal	3	X	✓	✓	✓	X	✓
91169	Research Physics relevant to a selected context	No	Internal	3	✓	✓	✓	✓	X	✓
Number of Internal NCEA Credits: 10										
91170	Waves	No	External	4	✓	✓	✓	✓	X	✓
91171	Mechanics	No	External	6	✓	✓	✓	✓	X	✓
91173	Electricity and magnetism	No	External	6	✓	✓	✓	✓	X	✓
Number of External NCEA Credits: 16										
Total Number of NCEA Credits: 26										

Internal Standards will be assessed by students completing:-

- Practical assessment with analysis and graphing
- Theory assessments

Course Costs:
$30.00 for write on course manual supplied by the school

GEOGRAPHY

Level One Geography → **Level Two Geography** → Level Three Geography

Entry Requirements

- Gained NCEA Level One **and**
- At least 15 credits from Level One Geography **plus**
- Achieved or better in at least **one** External
- Approval of the Head of Faculty if Geography has not been previously studied

Course Outline

- Natural Environment
- Differences in Development
- Geographical Skills – eg different types of graphs, maps, photographic interpretations, diagrams and model construction
- Urban Pattern
- A Contemporary New Zealand Geographical Issue
- A Global Issue
- Guided Research

Skills

- Recognise values and perspectives
- Develop critical thinking
- Respond to question in both written and diagrammatic form

The skills and knowledge students acquire at this level will help them at Level 3

Assessment

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91241	Urban Pattern		Internal	3	X	X	X	✓	✓*	X
91244	Guided Research		Internal	5	X	X	X	X	✓	✓
91245	Contemporary Geographic Issue		Internal	3	X	✓	X	X	✓	✓
91246	Global Study		Internal	3	✓	X	X	X	✓	X
Number of Internal NCEA Credits: 14										
91242*	Differences in Development	Reading/ Writing	External	4	X	✓	X	X	✓*	X
91243*	Applying Skills and Ideas		External	4	✓	X	X	✓	✓	✓
91240*	Natural Environment	Reading/ Writing	External	4	✓	X	X	X	✓*	X
Number of External NCEA Credits: 8										
Total Number of NCEA Credits: 22										

***Vocational Pathways Sector Related Credits**

*Students will select 2 of the 3 externals for Assessment

Internal Standards will be assessed by students doing:-

- Field work
- Written tests
- Research

Course costs: Field trip expenses (approximately $40.00)

HISTORY

Level One History → **Level Two History** → Level Three History

Entry Requirements

- NCEA Level One **and**
- At least 14 credits in Level One History
- Achieved or better at least **one** of AS 91003, 91005, 91006 **OR**
- Approval of the Head of Faculty

Course Outline

Students are encouraged:-

- To develop their formal writing and enquiry skills
- To analyse and discuss historical arguments and debates
- To defend an opinion or idea with relevant historical data
- To understand and use historical concepts
- To understand the world today through understanding its past

The following contexts are used for Historical studies:-

Nazi Germany and the Russian Revolution

Assessments - History

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91229	Historical inquiry	Reading	Internal	4	X	X	X	X	✓	✓
91230	Communicate historical ideas	Reading	Internal	5	X	X	X	X	✓	✓
91232	Examine perspectives	Reading	Internal	5	X	X	X	X	X	✓
Number of Internal NCEA Credits: 14										
91231	Examine historical resources	Reading/ Writing	External	4	X	X	X	X	X	✓
91233	Examine causes and consequences of a significant historical event	Reading/ Writing	External	5	X	X	X	X	X	✓
91234	Examine how a significant historical event affected New Zealand society		External	5	X	X	X	X	X	✓
Number of External NCEA Credits:14										
Number of NCEA Credits: 28										

***Students will select 2 of the 3 Externals for assessment**

Assessments - Classics

Internal Standards will be assessed by students completing:-

- Research assignments
- Written presentation of research
- Perspective assignment

Course Costs: None

BUSINESS STUDIES

Entry Requirements

- NCEA Level One **and**
- At least 12 credits from Level One Business Studies
- Achieved or better in at least **one** External
- Approval of the Head of Faculty

Course Outline

- Students will participate in the Young Enterprise Scheme where they will compete against other schools and earn credits towards NCEA at the same time.
- Students will be expected in small groups to develop, research, present, market, and finally sell a product that they have developed.

Students will:

- Develop a Business Plan which they will then use to execute their business idea
- Learn marketing, production and selling of their business idea
- Study the relationships between consumers and producers as they interact in the marketplace
- Understand, process and communicate marketing information for both an individual and a wide variety of business entities
- Develop other skills developed including the presentation, interpretation, and analysis of financial information, together with the ability to apply conceptual knowledge to assist in decision-making

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
90846	Conduct market research for a new or existing product	No	Internal	3	✓	X	X	X	✓	✓
90848	Carryout, review and refine a business activity within a community context with guidance	No	Internal	9	X	X	X	X	X	✓
Number of Internal NCEA Credits: 12										
90843	The internal operations of a large business	No	External	4	✓	X	X	X	✓	✓
90844	The external operations of a large business	No	External	4	✓	X	X	X	✓	✓
Number of External NCEA Credits: 8										
Total Number of NCEA Credits: 20										

Course Costs:

Approximately $35.00 for students to enter the Young Enterprise Scheme
Approximately $10.00 for transport costs
Approximately $50.00 for students to invest as capital in their business idea

TOURISM

Vocational Pathways - Service Industries Sector Related

Level Two Tourism → Level Three Tourism

Entry Requirements

- At least 90 credits at NCEA Level One
- At least 10 credits in Level One Numeracy and 10 in Level One Literacy
- Students with a special interest in the subject who are seeking a career in travel and tourism

Course Outline

- This course works towards the New Zealand Certificate in Tourism
- What and where are the tourist attractions in New Zealand and throughout the world?
- Work roles and skills required in the tourism industry
- A study of tourists and tourism businesses
- The impact of the tourism industry

Assessments

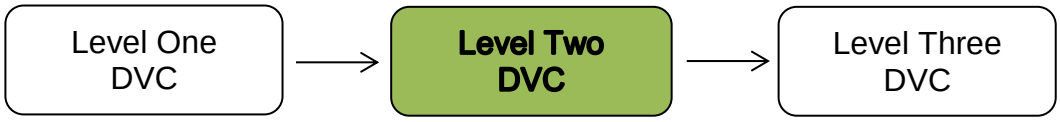
Unit Standard	Standard	Internal/ External	Credits	SERVICE Industries SECTOR STANDARDS
24728	Demonstrate the knowledge of work roles in Tourism	Internal	3	✓
24729	Demonstrate knowledge of world tourist destinations	Internal	4	✓
24730	Demonstrate the knowledge of the business of tourism	Internal	4	✓
24731	Demonstrate knowledge of New Zealand tourist destinations	Internal	4	✓
24732	Demonstrate knowledge of tourist characteristics and needs	Internal	3	✓
18237	Perform calculations for a tourism workplace	Internal	3	✓
24727	Describe & compare impacts of tourism on the physical environment	Internal	4	✓
			Number of Internal NCEA Credits: 24	
			Total Number of NCEA Credits: 24	

Internal Achievement Standards will be assessed by students doing: –

- Paragraphs, short answers and interpreting data
- Mapping
- Research
- Mathematical calculations and interpreting statistics

DVC
(Design and Visual Communication)

Vocational Pathways – Creative Industries Sector Related
Vocational Pathways – Construction & Infrastructure Industries Sector Related



Entry Requirements

- Successful completion of at least 5 Achievement Standards from Level One DVC
- Student may not do more than two subjects with a portfolio component

Course Outline

- Spatial and product design projects
- Freehand, instrumental and digital visual design

Assessment

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91341	Spatial design	No	Internal	6	X	X	✓	✓*	X	✓
91343	Presentation	No	Internal	4	X	X	✓	✓*	X	✓*
91342	Product design	No	Internal	6	X	X	✓	✓*	X	✓*
Number of Internal NCEA Credits: 16

91339*	Instrumental perspective drawings	No	External	3	X	X	✓*	✓*	X	✓
Number of External NCEA Credits: 6										
Total Number of NCEA Credits: 22										

***Vocational Pathways Sector Related Credits**

*Vocational Pathway Sector related credits

Course Costs:
$30.00 for materials

PRODUCT DESIGN

Entry Requirements

- Successful completion of 3 Internal Achievement Standards from Level One Product Design
- Proven safety practices at Level One

Course Outline

- Students will develop product design projects that will use the technology process of working to a brief, research, designing, manufacturing, testing, modelling and evaluating to respond to technological issues

Assessment

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
#91356	Develop and create a conceptual design	No	Internal	6	✓	X	✓	✓	X	✓*
#91357	Develop and trial a prototype	No	Internal	6	✓	X	✓	✓	X	✓
91344	Create a product with special features	No	Internal	6	X	X	✓*	✓*	X	✓
91354	Create a brief	No	Internal	4	✓	X	X	✓	X	✓
Number of Internal NCEA Credits: 22

Number of External NCEA Credits: 4					***Vocational Pathways Sector Related Credits**					
Total Number of NCEA Credits: 26										

 # Standard may be assessed in only one technology subject, either Product Design or Fashion & Textile Design

Course Costs:
$40.00 - Students may be required to pay extra for larger projects or provide some materials themselves

BUILDING INDUSTRY

Vocational Pathways – Construction & Infrastructure Industries Sector Related

Entry Requirements

- Successful completion of 6 Unit Standards in Level One Building Industry
- Proven safety practices at Level One

Course Outline

- Developing the skills necessary to choose and safely use appropriate materials, tools and processes in construction
- Make garden furniture as a BCATS project

This course is delivered in partnership with Building and Construction Industry Training Organisation (BCITO) towards the National Certificate in Carpentry

Assessments

Unit Standard	Standard	Int/Ext	Credits	Construction & Infrastructure Sector Related Standards	Primary Industry
12927	Hand tool use and maintenance	Internal	6	✓	✓
12932	Construct outdoor furniture	Internal	8	✓	X
24350	Power toll use and maintenance	Internal	6	✓	✓
24354	Safe working practices	Internal	4	✓	X
24360	Demonstrate knowledge of timber and other construction materials used in BCATS projects	Internal	5	✓	✓
			Number of Internal NCEA Credits: 29		
			Total Number of NCEA Credits: 29		

Course Costs

$45.00 for materials. There may be extra charge depending on the projects chosen.

AUTOMOTIVE

Vocational Pathways – Manufacturing & Technology Sector Related

Entry Requirements

- Evidence of some workshop experience
- Evidence of interest in Automotive
- Numbers in this course are limited

Course Outline

- A variety of Automotive Engineering skills including design, fabrication, welding (both gas and MIG), basic metal turning
- The years' work is based on the design and construction of a "pocket bike" (a miniature racing motorcycle)

Assessments

Unit Standard	Standard	Internal/ External	Credits L2	MANUFACTURING & TECHNOLOGY Sector Related Standards
2430	Draw and interpret sketches	Internal	4	✓
20917	Demonstrate basic knowledge of engineering materials	Internal	2	✓
2387	Assemble mechanical components under supervision	Internal	2	✓
2395	Select, use and maintain engineering hand tools	Internal	4	✓
4436	Select, use and care for engineering marking out equipment	Internal	4	✓
2396	Select, use and maintain portable hand held engineering power tools	Internal	4	✓
21911	Demonstrate knowledge of safety on engineering worksites	Internal	2	✓
			Number of Internal NCEA Credits: 22	
			Total Number of NCEA Credits: 22	

Course Costs

Cost of component parts for the "Pocket Bike"
$200.00 at enrolment and $118.00 by the end of Term 1

FOOD and NUTRITION

Level One
Food and Nutrition → **Level Two**
Food and Nutrition

Entry Requirements

- NCEA Level One
- 15 credits at Level One Food and Nutrition

Course Outline

- Sustainable food
- New Zealand eating patterns and nutrition needs
- Preservation
- Nutrition issues
- Vegan foods and related societal issues

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91299	Analyse vegan issues		Internal	5	X	✓	X	X	✓	X
91301	Nutritional issue		Internal	5	X	✓	X	X	✓	X
91302	Sustainable food		Internal	5	✓	✓	X	X	✓	X
Number of Internal NCEA Credits: 15										
91300	Food choices and determinants of health	Writing	External	4	X	✓*	X	X	✓*	X
91304	Evaluate health promoting strategies	Writing	External	4	X	✓	X	X	✓	X
Number of External NCEA Credits: 8										
Total Number of NCEA Credits: 23										

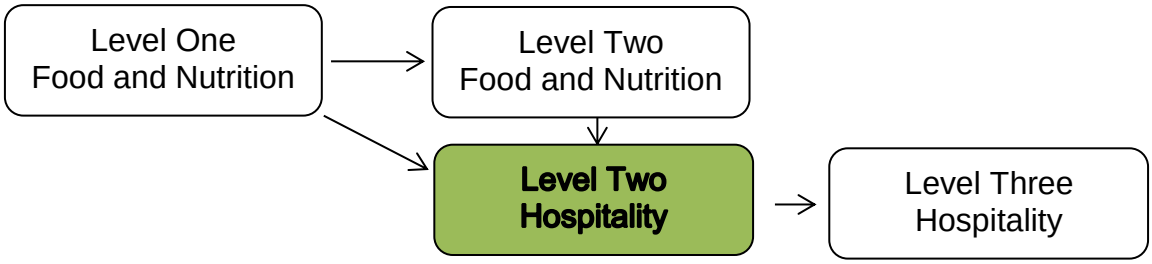
***Vocational Pathways Sector Related Credits**

Course Costs

$55.00 - Food is provided

HOSPITALITY

Vocational Pathways – Service Industries Sector Related



Entry Requirements

- Has demonstrated an interest in Hospitality or as career pathway

Course Outline/Skills

- This course is for students interested in entering the food industry and is designed as an introduction to working in a commercial kitchen environment

Assessments

Unit Standard	Standard	Internal/ External	Credits L2/L3	SERVICE Sector Related Standards
167	Food Safety	Internal	4	✓
13280	Fruit and vegetable cuts	Internal	2	✓
13271	Frying	Internal	2	✓
13281	Sandwiches	Internal	2	✓
13278	Roasting	Internal	2	✓
9677	Participate in a group/team which has an objective	Internal	3	✓
13272	Cook food items by baking	Internal	2	✓
			Number of Internal NCEA Credits: 17	
			Total Number of NCEA Credits: 17	

Course costs: $70.00 - Food is provided

FASHION & TEXTILE DESIGN

Level One Fashion & Textile Design → **Level Two** Fashion & Textile Design → Level Three Fashion & Textile Design

Entry Requirements

- Strong basic construction skills
- Ability to self- manage and problem solve
- Students may take only **ONE** of Fashion & Textile Design and Product Design
- Successful completion of at least 3 Achievement Standards from Level One Fashion & Textile Design

Course Outline

- The course encourages innovative thinking and risk taking to produce high quality solutions
- Students will submit a portfolio for assessment for all internal standards. A separate report is submitted for the external standard
- Students will follow a design process but there is a focus on planning, trialling/testing, construction and consistent self-reflection on the progress of the project

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91356	Develop a conceptual design for an outcome	No	Internal	6	X	X	✓	✓	X	✓
91357	Undertake effective development to make and trial a prototype	No	Internal	6	✓	X	✓	✓	X	✓
91345	Implement advanced procedures using textile materials to make a specified product with special features	No	Internal	6	X	X	✓	✓	X	✓
			Number of Internal NCEA Credits: 18							
91337	Use visual communication techniques to generate design ideas	No	External	3	✓	X	✓	✓	✓	✓
			Number of External NCEA Credits: 3							
			Total Number of NCEA Credits: 21							

Course Costs

$35.00 **-** Purchase of appropriate material – this must be purchased in a timely manner to enable deadlines to be met

DIGITAL TECHNOLOGIES – COMPUTER APPLICATIONS

Vocational Pathways – Manufacturing & Technology Sector Related
Vocational Pathways – Creative Industries Sector Related

Level One Digital Technologies - Computer Applications → **Level Two Digital Technologies – Computer Applications** → Level Three Digital Technologies - Computer Applications

Entry Requirements

- Successful completion of at least 3 Achievement Standards in Level One Digital Technologies

Course Outline – This is an Achievement Standard Course

Students will develop an understanding of:

- Information systems
- Digital media
- Planning and creating programmes

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91368	Advanced Digital Database Practical	No	Internal	6	X	X	✓*	X	✓	✓
91370	Advanced Digital Media Practical	No	Internal	4	X	X	✓*	X	✓	✓*
91372	Planning an advanced Computer Programme	No	Internal	3	X	X	✓*	X	X	✓
91373	Developing an advanced Computer Programme	Writing	Internal	3	X	X	✓*	X	X	✓
Number of Internal NCEA Credits: 16										
91367	Advanced Digital Database Concepts	Reading/ Writing	External	3	✓	X	X*	X	✓	✓
Number of External NCEA Credits: 3										
Total Number of NCEA Credits: 19										

*Vocational Pathways – Sector Related Standard

Course Costs

All students must have a 4Gb(min) flash drive to back their work onto

DIGITAL TECHNOLOGIES - ICT

Level One Digital Technologies – Computer Applications → **Level Two Digital Technologies - ICT** → Level Three Digital Technologies - ICT

Entry Requirements

- At least Year 10 Digital Technologies

Course Outline – This is a Unit Standards Course

Students will develop an understanding of:

- Word processing
- Spreadsheets
- Desktop publishing
- Creating a website
- Databases

Assessments

US	Standard	Internal/ External	Credits L2	Primary Industries	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
111	Use a Word Processor to produce documents for a business or organisation	Internal	5	X	✓	X	X	✓	X
2784	Create and use a computer spread-sheet to solve a problem	Internal	3	✓	✓	✓	✓	✓	X
2786	Create and use a computer database to solve a problem	Internal	3	X	X	✓	✓	✓	✓
2788	Produce desktop published documents to meet a set brief	Internal	5	X	X	X	✓	X	✓*
25655	Create a website using a dedicated web-authoring tool to meet a set brief	Internal	3	X	X	✓	X	X	✓*
112	Use a Word Processor to produce documents for a business or organisation	Internal	5	X	X	X	X	X	X
			Number of Internal NCEA Credits: 24						
			Total Number of NCEA Credits: 24						

Course Costs

All students must have a 4Gb(min) flash drive to back their work onto

PHYSICAL EDUCATION and OUTDOOR PURSUITS

Level One Physical Education → **Level Two Physical Education and Outdoor Pursuits** → Level Three Physical Education

Entry Requirements

- 16 credits in Level One Physical Education
- Proven record of very good school attendance
- A proven record of a genuine interest in outdoor recreational pursuits

Course Outline

- This is an depth study of Sport Science, Sport and Physical Education
- Apply principles and methods of training to run from Karamu High to Ocean Spa
- Understanding leadership strategies and apply these in a practical setting
- Improve physical competency in selected activities
- Demonstrate safety management procedures in Outdoor Pursuits
- An Outdoor Education component - kayaking, surfing, and rock climbing

Asssessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91328	Learning physical skills	No	Internal	5	X	✓	X	X	✓*	✓
91329	Understand training for physical activities	No	Internal	4	X	X	X	X	✓*	✓*
91330	Perform a physical activity	No	Internal	4	X	X	X	X	✓	✓
91332	Understand leadership strategies	No	Internal	4	X	✓*	X	X	✓	✓
91333	Understand risk management strategies	No	Internal	3	✓	✓	X	X	✓	✓
91334	Demonstrate social responsibility	No	Internal	3	X	✓	X	X	✓	✓
			Number of Internal NCEA Credits:	**23**						
			Total Number of NCEA Credits:	**23**						

***Vocational Pathways Sector Related Credits**

Course Costs:

- $350.00 covers all equipment/transport/instructor costs for weekly out of school trips, two day/overnight paddle trips, surf trip and Ocean Spa run day.
- A deposit of $50.00 **must be paid** during course enrolment at the start of the year.
- The balance **must be paid** before the end of Term 1 (before the first overnight trip).
- The deposit will be refunded if your son/daughter is unsuccessful in gaining a place on the course.

SPORT EDUCATION

Level One Sport Education → **Level Two Sport Education**

Entry Requirements

- Satisfactory participation in Level One Sport Education or Year 10 Physical Education
- This course is open to Year 12 students only

Course Outline

- Apply principles and methods of training to physical activity and how this relates to various sports
- Understanding leadership strategies and apply to teaching a physical skill
- Improve physical competency in selected activities
- Improve physical competency in selected activities

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91330	Perform a physical activity	No	Internal	4	X	X	X	X	✓	✓
91332	Understand leadership strategies	No	Internal	4	X	✓*	X	X	✓	✓
91334	Demonstrate social responsibility	No	Internal	3	X	✓	X	X	✓	✓
91336	Analyse group processes in physical activity	No	Internal	3	✓	✓	X	X	✓	✓
			Number of Internal NCEA Credits:	**14**						
			Total Number of NCEA Credits:	**14**						

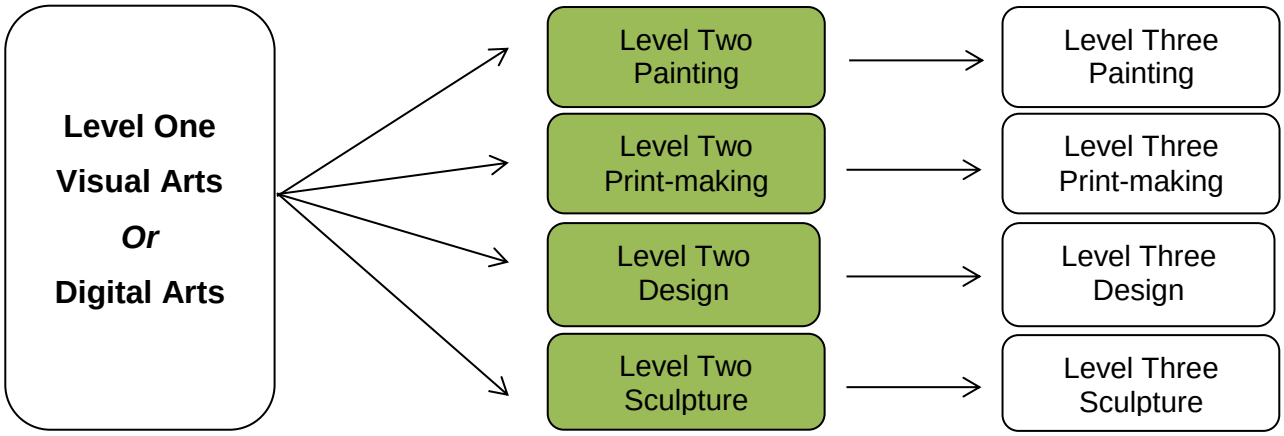
***Vocational Pathways Sector Related Credits**

Internal Acheivement Standards will be assessed by students doing:-

- Most assessment task require theory application after practical pacticipation

VISUAL ARTS

Vocational Pathways – Creative Industries Sector Related



Entry Requirements

- 12 credits from Level One Visual ArtS, Digital Arts or Level One DVC
- Proven ability to write and research
- ***Or*** at the HOF discretion

Course Outline

- Practical work in using of conventions appropriate to either design, painting or printmaking
- Researching aspects, methods and ideas from established practice appropriate to either design, painting or printmaking
- Producing a portfolio that shows understanding of art making conventions and ideas in either design, painting or printmaking

Assessments

No.	Standard	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91305 91306 91308	Research methods and ideas from established practice appropriate to:- Design, Painting, Printmaking and Sculpture	Internal	4	X	X	X	X	✓	✓
91310 91311 91313	Apply knowledge of Artists styles and techniques in either Design, Painting, Printmaking and Sculpture	Internal	4	X	X	X	X	X	✓
91315 91316 91318	Develop ideas in a related series of Paintings, Designs, Printmaking or Sculptural pieces appropriate to either Design, Painting, Printmaking and Sculpture	Internal	4	X	X	X	X	X	✓
		Number of Internal NCEA Credits: 12							
91320 91321 91323	Produce a Portfolio of work in:- Design, Painting, Printmaking and Sculpture	External	12	X	X	X	X	X	✓
		Number of External NCEA Credits: 12							
		Total Number of NCEA Credits: 24							

Internal Achievement Standards will be assessed by students doing:-

- Practical work and Research aspects
- Understanding and application of artist model

Course costs: $40.00 per discipline

PHOTOGRAPHY

Vocational Pathways – Creative Industries Sector Related

Level One Visual Arts *or* Digital Arts → **Level Two Photography** → Level Three Photography

Entry Requirements

- Proven ability to write and research ***or***
- At the discretion of the HOF

Course Outline

- Practical work in using of conventions appropriate to Photography
- Researching aspects, methods and ideas from established practice appropriate to Photography
- Producing a portfolio that shows understanding of art making conventions and ideas in Photography
- Photography camp in Term 1 to Blackhead Beach for Landscape and Night Photography

Assessments

No.	Standard	Int/Ext	Credits	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91307	Research methods and ideas from established practice appropriate to Photography	Internal	4	X	X	X	X	✓	✓
91312	Apply knowledge of Artists styles and techniques in Photography	Internal	4	X	X	X	X	X	✓
91317	Develop ideas in a related series of Photographs appropriate to established Photography	Internal	4	X	X	X	X	X	✓
	Total Number of Internal NCEA Credits:		12						
91322	Produce a Portfolio of work in Photography	External	12	X	X	X	X	X	✓
	Total Number of External NCEA Credits:		12						
	Total Number of NCEA Credits:		24						

Internal Achievement Standards will be assessed by students doing:-

- Practical work including looking at traditional and contemporary photographers
- Researching aspect to build a solid foundation for excellence

Course Costs

$55.00 - includes 4GB SD Card
Photography Camp expenses approximately $35.00

MEDIA STUDIES

Vocational Pathways – Creative Industries Sector Related

Level One Media → **Level Two Media** → Level Three Media

Entry Requirements

- At least 12 credits from Level One English and a full Level 2 English course

Course Outline

Students will study:-

- How to "read" films
- How a group is represented in the media
- A film genre
- The ways stories are told in film
- How to design and produce a short film
- Scriptwriting
- An ethical issue relating to the media

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91249	A study of narrative in media texts	No	Internal	4	X	X	X	X	X	✓
91250	A study of representation in the media	No	Internal	3	X	X	X	X	X	✓
91252	Produce a design and plan for a developed media product	No	Internal	4	X	X	X	X	X	✓
91253	Complete a developed media product from a design and plan	No	Internal	6	X	X	X	X	X	✓
*91254	Research into an ethical issue in the media	No	Internal	3	X	X	X	X	✓	✓
91255	Write developed media text for a specific target audience	No	Internal	3	X	X	X	X	✓	✓
			Number of Internal NCEA Credits: 23							
91251	Demonstrate understanding of an aspect of a media genre	No	External	4	X	X	X	X	X	✓
			Number of External NCEA Credits: 4							
			Total Number of NCEA Credits: 27							

*Optional Standard

Internal Standards will be assessed by students completing:-

- A genre study
- A narrative study
- Video production
- Research Assignment
- Scriptwriting

Course Costs: $25.00

DANCE

Vocational Pathways – Creative Industries Sector Related

Entry Requirements

- 16 credits in Level One Dance
- Some previous experience in Dance

Course Outline

Students will learn in the areas of, and develop skills in:-

- Learning Choreography
- Creating Choreography
- Choreographic Processes
- Group Performance
- Solo Performance
- Applying the Elements of Dance and Choreographic Device and Structure
- Discussing and Analysing Dance, using Dance Terminology

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91205*	Choreograph a group dance to communicate an intention	No	Internal	4	X	X	X	X	X	✓
91206	Choreograph a solo dance to communicate an intention	No	Internal	4	X	X	X	X	X	✓
91207*	Perform an ethnic or social dance to communicate understanding of the style	No	Internal	4	X	X	X	X	X	✓*
91208*	Perform a theatre dance to communicate understanding of the dance	No	Internal	4	X	X	X	X	X	✓*
91210	Portfolio of Choreographic Processes	No	Internal	4	X	X	X	X	X	✓
91209	Repertoire of Dance	No	Internal	6	X	X	X	X	X	✓
	Number of Internal NCEA Credits: 26									
91212	Genre Research	No	External	4	X	X	X	X	X	✓*
91211	Interpret a Dance Performance	No	External	4	X	X	X	X	X	✓
	Number of External NCEA Credits: 8				✓* Sector Related Standards					
	Total Number of NCEA Credits: 34									

* Indicates compulsory standards. Students must do at least **ONE** External Standard

Internal Achievement Standards will be assessed by students doing:-

- Learning and performing choreography in front of a live audience
- Evidence of planning, researching and recording
- Compiling a portfolio
- Creating choreography

DRAMA

Vocational Pathways – Creative Industries Sector Related

Entry Requirements

- A minimum of 14 Level One credits
- Students need to have a genuine interest in Drama and an enthusiastic approach to performing
- Commitment to group tasks in and out of class time
- Not suitable for Gateway students or students with significant absences

Course Outline

- Performing a scene from a scripted play in a group
- Devising and acting in a play
- Learning about the features of a Drama and Theatre Form eg. Epic Theatre
- Theatre form presentation
- Performing an acting role in a group play for an invited audience
- Going to the Theatre to see live performances

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91213	Apply drama techniques within a scripted context	Reading	Internal	4	X	X	X	X	X	✓
91214	Devise and perform a drama to realise an intention		Internal	5	X	X	X	X	X	✓
91216	Perform features of a complex drama/theatre form	Reading	Internal	4	X	X	X	X	X	✓
91218	Perform a substantial acting role in a scripted production	Reading	Internal	5	X	X	X	X	X	✓
			Number of Internal NCEA Credits: 18							
91215	Interpret a prescribed text to demonstrate knowledge of a theatre form or period	Writing	External	4	X	X	X	X	X	✓
			Number of External NCEA Credits: 4							
			Total Number of NCEA Credits: 22							

Internal Achievement Standards will be assessed by practical performance assessments supported by some theory.

Course Costs: $15.00

MUSIC

Vocational Pathways – Creative Industries Sector Related

Entry Requirements

- Achieved or better in Level One Achievement Standards: 91093 or 91094, and 91090

  OR
- Equivalent knowledge of rhythmic and melodic notation
- Performance ability on an instrument equivalent to one year's tuition

Course Outline

- This course encourages further awareness of a wide range of music
- Develops skills in solo and group performance, composition and listening
- Compositions and instrumentations created in class and presented using appropriate technology
- Emphasis will be on live performances where possible
- Performance is before an assembly, an invited audience etc.

Assessments

No.	Standard	UE Lit	Int/Ext	CREDITS	Primary Industry	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
91270	Perform two substantial pieces of music as a featured soloist	No	Internal	6	X	X	X	X	X	✓
91272	Demonstrate ensemble skills by performing a substantial piece of music as a member of a group	No	Internal	4	X	X	X	X	X	✓*
91271	Compose two substantial pieces of music	No	Internal	6	X	X	X	X	X	✓
91273	Devise an instrumentation for an ensemble	No	Internal	4	X	X	X	X	X	✓
	Number of Internal NCEA Credits: 20									
91275	Demonstrate aural skill through written representation	No	External	4	X	X	X	X	X	✓
91276	Demonstrate knowledge of conventions in a range of music scores	Yes	External	4	X	X	X	X	X	✓
91277	Demonstrate understanding of two substantial and contrasting music works	Yes	External	6	X	X	X	X	X	✓
	Number of Internal NCEA Credits: 14									
	Number of Internal NCEA Credits: 34									

***Vocational Pathways Sector Related Credits**

Course Costs: $25.00

THEATRE TECHNOLOGY

Vocational Pathways – Creative Industries Sector Related

Level One Theatre Technology → **Level Two Theatre Technology** → Level Three Theatre Technology

Entry Requirements

- In consultation with the Lead Teacher

Course Outline

This Course covers:-

- The major technical aspects of sound, lighting and set design
- Costume design
- Makeup design and application

All aspects covered are to Industry Standard levels.

Assessments

US	Standard	Int/Ext	Credits L2	Primary Industries	Social & Community	Manufacturing & Technology	Construction & Infrastructure	Service Industries	Creative Industries
27703	Sound: Create sound effect for a film	Internal	4	X	X	X	X	X	✓
27700	Lighting: Design and apply special lighting effects	Internal	4	X	X	X	X	X	✓
27704	Stage Craft: Design and construct props	Internal	4	X	X	X	X	X	✓
27699	Costume: Research, design and make costumes	Internal	4	X	X	X	X	X	✓
27701	Make-up: Design and apply effective makeup	Internal	3	X	X	X	X	X	✓
27702	Performance: Manage a production area	Internal	4	X	X	X	X	X	✓
			Number of Internal NCEA Credits: 23						
			Total Number of NCEA Credits: 23						

It is recommended that students also take another Arts subject along with this course.

This course is largely assessed through involvement in school performance events like the major School Productions, House Music, Dance, Drama and Maori Performing Arts showcases.

Students will be encouraged to take part in community and industry performance events at local theatres and venues.

Students will be offered the opportunity to attend workshops and gain industry knowledge through field trips.
