Waipawa Buses Ltd. Hastings Waipawa Wairoa Taupo

Hastings 4155

New Zealand

For students being transported on Waipawa Buses Flaxmere/
Karamū run.

With the delays caused by traffic, road works and 30km speed
zones past schools. We are altering the run ever so slightly so we
can get students to school in good time.

As of Monday 23rd February we will no longer use the Wall Rd stop

The effect of this will be all students on bus stops from Oliphant Rd
right through to Karamū High School will all need to be 5 mins
earlier at your stops. Flaxmere Students remain the same.

The updated route has been sent to the school. It is also available
from the driver.

Thank you for your support
